Arizona Consumers Council

www.azconsumerscouncil.org

The Arizona Consumers Council is an educational and consumer advocacy organization dedicated to consumer protection, information, and promotion of the rights and interests of consumers. Organized consumers are more effective in the marketplace than consumers acting alone hence the need for such an organization. The Council acts as consumer advocate by monitoring compliance to laws, rules and regulations which promote and protect consumer interests. The Council sponsors conferences and workshops on pertinent topics as well as develop Consumer/ Industry joint panels and has been a litigant on selected consumer issues. The Arizona Consumers Council is the oldest continuing voluntary state-wide consumer organization in the United States; organized in 1966.

Arizona Telecommunications and Information Council

www.arizonatele.com/atic

ATIC is Arizona's recognized and authoritative organization guiding technology policy development, serving as a leading source of information and expertise on telecommunications and information technology matters. ATIC develops, promotes and supports initiatives and guides adoption of effective public policies that encourages wide-scale deployment and availability of telecommunications services and information technologies to insure economic prosperity for the Arizona community, expand the region's global competitive advantage, enable continued educational advancement and support an enhanced quality of life.

Citizens Clean Elections Commission

www.ccec.state.az.us

The Citizens Clean Elections Act is a campaign finance reform measure that was initiated by Arizona citizens and passed by voters in 1998. The Act created a new campaign financing system that provides full public funding to qualified candidates who agree to abide by Citizens Clean Elections Commission (CCEC) guidelines. Candidates for statewide offices (Governor, Secretary of State, State Treasurer, Attorney General, Superintendent of Public Instruction, Corporation Commissioner or Mine Inspector) and legislative offices (House of Representatives and Senate) are eligible to participate in the public funding program.
